Refund Application - Rollover Section

Complete this section if you checked "Rollover" on page one. You may rollover all or a portion of your funds in the plan. Any funds rolled over will be issued to your rollover institution. Amounts not rolled over will be sent directly to you. A mandatory 20% Federal Income Tax withholding applies to any pretax contributions that are not rolled over. In order to make a direct rollover, you must choose what portion of your refund you wish to rollover, and which rollover institution should receive those funds.

I direct the Fund to (check one):

- ☐ Rollover ALL of my pretax and after-tax contributions. Refund no contributions directly to me.
- ☐ Rollover ALL of my pretax contributions. Refund my after-tax contributions to me.
- ☐ Rollover \$ _____ of my pretax contributions and/or \$ _____ of my after-tax contributions. Refund the remainder of my account to me.

Please rollover the funds directed above to the following Traditional IRA or qualified plan. If I am rolling over after-tax funds, I have verified that the rollover institution is both eligible and willing to accept after-tax contributions.

> If I have five or more years of credited service or I am at least age 65 at termination:

1. I am eligible to leave my contributions in the Fund and receive a pension at age 65. If I do not return this form, my account will automatically be placed in deferred status until my retirement. However, I may request and receive a refund of my contributions, instead of a pension, at any time prior to my retirement.
2. By applying for a refund of contributions in lieu of benefits, I am forfeiting any rights to future pension benefits.
3. I acknowledge that I have signed and returned a release form, forfeiting my rights to a pension benefit.

> My distribution cannot be made until at least 30 days after my receipt of the Special Tax Notice Regarding Plan Payments. By signing this form, I acknowledge that I have received and read the Special Tax Notice, I agree to waive the 30-day notice requirement, and I request that my refund or rollover be made as soon as administratively possible.

> If I have received any retirement benefits, those amounts will be subtracted from the amount of my contributions in calculating my refund.

> If I withdraw my contributions, I may be eligible to repay them, with interest, and be entitled to prior service credit. I understand that, under current law, to restore this service credit, I must (a) return to City employment within six years; (b) be reemployed for twelve consecutive months; (c) be employed by the City when I make a lump sum payment of both principal and interest; and (d) make the payment within three years of my reemployment. I also understand that the Plan provisions may be changed, and that my rights would be governed by the new provisions.

> This distribution may consist of money that has been previously taxed (after-tax contributions) and money on which no taxes have been paid (pretax contributions). Both are eligible for rollover into a traditional IRA or another employer's qualified plan, which separately accounts for the taxable and non-taxable portions. If I do not rollover after-tax contributions, no taxes will be due on them. However, if I do not complete a rollover of pretax contributions, I will owe ordinary income tax on that amount and may also owe a 10% early withdrawal penalty. The Employees' Retirement Fund is required to withhold 20% toward satisfying this income tax obligation.
