

Member Information Consent

Under the current provisions of the State of Texas Public Information Act, any information about our members held by the Employees' Retirement Fund of the City of Dallas (the "Fund") is confidential and not subject to disclosure by the Fund.

However, you do have the option to allow the Fund to disclose your name and image in the newsletter as well as in any other means of communications that the Fund may send out to members or retirees. For example, in the past we have let our members know when a member retired and shown pictures of members or retirees in the newsletters.

Please initial one of the following two lines to indicate whether you would like the Fund to continue to be able to use your name and/or picture in the newsletter or other means of communications.

SELECT ONE

- I consent to the Fund disclosing my name and/or image in communications with members or retirees, but I request that all other information about me contained in the records of the Fund be protected from disclosure to the maximum extent allowed by law.
 - I do not consent to the Fund disclosing any information about me, including my name and/or image, and request that all information relating to me be protected from disclosure to the maximum extent allowed by law.
