

## Public Access - To Home Address & Telephone Number

The Texas Open Records Act now allows pensioners to choose whether or not they want their home address and telephone numbers made available to the public.

If you do not make a choice, there may be a question as to whether your name address and telephone number will be made available to anyone who requests the information. Therefore, you should indicate your decision on this form in order to avoid any misinterpretation of your wishes.

If at a later date you wish to change this election regarding public access to your home address and telephone number, you must write the Employees' Retirement Fund at: 600 N. Pearl, South Tower Suite 2450, Dallas, TX 75201.
