## Dallas ERF Earned A Positive Return Of 6.5 % In 2014

*FROM THE DESK OF ERF'S EXECUTIVE DIRECTOR - CHERYL D. ALSTON*

*Happy New Year!*

2014 was a positive year for the Employees' Retirement Fund. Our investment portfolio generated a return of 6.3% (net of fees) for calendar year 2014, ending the year with \$3.4 billion in assets. The Fund has performed well over longer time periods. The Fund's 3 year return is 12.4% and the 5 year return is 10.7%.

The best performing asset class in 2014 was the Fund's Real Estate investments, generating 18.5% for the year. The Real Estate investments consist of publicly traded real estate called Real Estate Investment Trusts ("REITs") and national private real estate funds. Public Real Assets, made up of energy Master Limited Partnerships (MLPs), had the next best performance. The Fund's MLP managers earned 18.3%, which outpaced the Alerian MLP benchmark of 4.8%. The domestic markets also had solid gains in 2014. Our investments in Domestic Equity returned 11.2% for the year.

The International markets struggled due to economic factors, with the benchmarks of MSCI EAFE (developed markets) returning -4.90% and MSCI ACWI ex US (includes emerging markets) at -3.9% for the year. Our investment in International Equity was the only negative asset class with a return of -4.3% for 2014. Our allocation to Global Equity stocks returned 3.5%. Private Equity lags a quarter so the last reported quarter is September 30, 2014. As of 9/30/14, the investments in Private Equity returned 14.2%.

Fixed Income is 30% of the ERF investment portfolio. Our high yield investments posted a positive return of 1.7%. Our investment in Global Fixed Income returned 6.5% and outperformed the Barclays Aggregate benchmark of 5.97% in 2014.

2014 was a volatile year for the stock market and I want to thank the Board members for their discipline, patience, and investment expertise as the markets continue to evolve. As pension fund investors, we have to remember to focus on the long term investment horizon. I would also like to take this opportunity to commend the ERF staff for their diligence and commitment to excellent service to employees and pensioners.

In summary, active members, terminated employees with a vested pension and retirees should feel confident that ERF remains sound and your retirement benefits are safe and secure. We welcome your questions, comments, or suggestions.
